| SECTION B. IMPORTANT INFORMATION ABOUT YOUR ORDER | | | |
| We can only search for a record based on the information you provided in blocks 2-17. The success and accuracy of our search is determined by the information you provide. Often there are many files for veterans of the same or nearly the same name. If there are three or fewer files for men with the same name as the individual in whom you are interested, we will examine the relevant files and compare their contents with the information that you have provided us. If the veteran's identity seems obvious, we will furnish you a copy of the file we think is the correct one. | | | |
| We can not make a file-by-file check to see if the information in the numerous files matches that provided for the veteran in whom you are interested. In such cases, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. We do not maintain a list of persons who do research for a fee; however, many researchers advertise their services in genealogical periodicals, usually available in libraries. | | | |
| PLEASE NOTE: This mail order photocopying service is available ONLY from Old Military and Civil Records (NWCTB-Pension) at the address below. Please address all inquiries about your order to Old Military and Civil Records at this address or call us at 301-837-2000. When you send more than one form at a time, each form is handled separately. Therefore, you may not receive all of your replies at the same time. Allow 60 to 90 days (up to 120 days for full pension files) for processing your order. More information about the availability of records pertaining to military service or family histories may be found in our free genealogical information leaflets and forms. You may request these, as well as order additional copies of this form, by writing to: Old Military and Civil Records (NWCTB-Pension), Textual Archives Services Division, National Archives and Records Administration, 700 Pennsylvania Avenue, NW, Washington, DC 20408-0001. | | | |
